(d) volume, if the commodity is liquid or is sold by cubic measure; or

(e) number, if the commodity is sold by number.

12. *Licensing of manufacturers, repairers and dealers of weights and measures.*— (1) Every manufacturer or repairer of, or dealer in, weight or measure shall make an application for the issue of a licence to the Controller or such other officer as may be authorised by him in this behalf, in the appropriate form set out in Schedule V-A.

(2) Every manufacturer or repairer of, or dealer in, weight or measure shall make an application for the renewal of a licence thirty days before the expiry of validity of the licence to the Controller or such other officer as may be authorised by him in this behalf, in the appropriate form set out in Schedule V-B.

(3) Every licence issued to a manufacturer, repairer or dealer shall be in the appropriate form set out in Schedule VI.

(4) Every licence issued to a manufacturer, repairer or dealer shall be valid for a period of one calendar year, and may be renewed from year to year by the Controller or such other officer as may be authorised by him in this behalf.

(5) The fees payable for the licence referred to in sub-rule (2) and for its renewal shall be as specified in Schedule VII.

Provided that an additional fee at half the rates specified in Schedule VII shall be payable by the applicant if he is permitted by the Controller to make the application for the renewal of a licence within a period of one month from the date of expiry of the period of validity of the licence.

(6) The Controller or such other officer as may be authorised by him in this behalf shall maintain a register of licensed manufacturers, dealers and repairers in the form set out in Schedule VIII.

(7) Every repairer licensed under the Act and these rules shall —

(a) be required to maintain such equipment and tools, as the Controller may direct; and

(b) furnish to the State Government a security deposit for each licence as specified in Schedule IX.

(8) The weights or measures seized by the Controller or any other officer authorised by him in writing, in this behalf, under sub-section (5) of section 20 of the Act, shall be sold and proceeds thereto credited to the Government.

13. *Records to be maintained by manufacturers, etc.*— (1) Every manufacturer or repairer of, or dealer in, weight or measure licensed under the Act and these rules shall maintain a register in the appropriate form set out in Schedule X.

(2) Every person using any weight or measure in any transaction or for industrial production or for protection shall maintain such records and registers as the Controller may direct.

14. *Periodical interval for the verification of weights or measures.*— (1) Every weight or measure used or intended to be used in any transaction or for industrial production or for protection shall be verified or re-verified and stamped at least once in a year:

Provided that storage tanks including vats shall be re-verified or re-calibrated and stamped at least once in a period of five years.

(2) Notwithstanding anything contained in sub-rule (1) every weight or measure which has been verified and stamped *in situ* shall, if it is dismantled and re-installed before the date on which the verification falls due be duly re-verified and stamped on payment of the prescribed fee, before being put into use.

(3) Notwithstanding anything contained in sub-rule (1) every weight or measure which has been verified and stamped shall, if it is repaired before the date on which the verification falls due be duly re-verified and stamped on payment of the prescribed fee, before being put into use.

15. *Verification and inspection of weights or measures.*— (1) Every person using any weight or measures in any transactions or for industrial production or for protection shall present such weight or measure for verification or re-verification at the office of the Inspector or at such other place as the Inspector may specify in this behalf on or before the date on which the verification falls due:

Provided that where any weight or measure is such that it cannot, or should not be moved from its location, the person using such weight or measure shall report to the Inspector at least thirty days in advance the date on which the verification falls due.

(2) Where any weight or measure is such that it cannot, or should not, be moved from its location,

the Inspector shall take necessary steps for the verification of such weight or measure at the place of its location.

(3) For the verification of weight or measure referred to in sub-rule (2), the user shall provide such facilities as may be required by the Inspector.

(4) Every weight or measure presented for verification shall be complete in itself and shall not bear a manufacturer's mark which might be mistaken for the Inspector's stamp.

(5) Every weight or measure shall be verified in a clean condition, and if necessary, the Inspector shall require the owner or user to make necessary arrangement for the purpose.

(6) Where a weight or measure is brought to the Inspector for verification or re-verification, he may verify the same after realisation of the prescribed fee.

(7) An Inspector shall visit, as frequently as possible during the period specified in sub-rule (1) of rule 14, every premises within the local limits of his jurisdiction to inspect and test any weight or measure which is being, or is intended or likely to be, used in any transaction or for industrial production or for protection.

16. *Stamping of weights or measure.* — (1) The Inspector shall stamp every weight or measure, if after verification, he is satisfied that such weight or measure conforms to the standards established by or under the Standards Act, with a stamp of uniform design, issued by the Controller, which shall indicate the number allotted for administrative purposes to the Inspector by whom it is stamped:

Provided that if by reason of the size or nature of any weight or measure it is not desirable or practicable to put a stamp thereon, the Inspector shall take such action as may be directed by the Controller, by a general or a special order in writing.

(2) The Inspector shall also mark the year and its quarter of stamping on every verified weight or measure except when the size or nature of such weight or measure makes it impracticable.

Explanation. — A year shall be deemed to consist of four quarters of which first quarter shall be of the months of January, February and March; second quarter shall be of the months of April, May and June; third quarter shall be of the months of July, August and September; and fourth quarter shall be of the months of October, November and December.

(3) On completion of verification and stamping the Inspector shall issue a certificate of verification in the form set out in Schedule XI.

(4) Where a certificate of verification is lost or destroyed, the holder of the certificate of verification shall forthwith apply to the Inspector who had issued the certificate, for the issue of a duplicate certificate, of verification. Every such application for the issue of a duplicate certificate shall be accompanied by a fee of rupees five.

(5) On receipt of an application under sub-rule (4), the Inspector shall issue to the applicant a

duplicate copy of the certificate of verification marked "Duplicate".

17. *Fee for verification and stamping.* — (1) Fees payable for verification and stamping of weight or measure at the office or camp office of the Inspector shall be as specified in Schedule XII.

(2) If, at the request of the user of weight or measure, verification is done at any premises other than the office or camp office of the Inspector, an additional fee shall be charged at half the rates specified in Schedule XII and the user of the weight or measure shall also pay the expenses incurred by the Inspector for visiting the premises including the cost of transporting and handling the working standard and other equipment subject to a minimum of rupees ten:

Provided that no additional fee shall be charged for verification and stamping *in situ* of, —

(a) vehicle tanks, dispensing pumps, weigh-bridges, dormant platform machines and such other weight or measure which cannot, and should not be moved from its location;

(b) weights and measures in the premises of a manufacturer or stockist of such weights and measures.

(3) If a weight or measure is presented to the Inspector for re-verification after expiry of the validity of the stamp, an additional fee at half the rates specified in Schedule XII shall be payable for every quarter of the year or part thereof.

(4) No fee shall be payable for re-stamping any weight or measure held in stock with manufacturer or dealer within the period specified in rule 14 from the date on which it was last stamped, provided that the original stamp was not obliterated under sub-section (3) of section 28 of the Act.

(5) A weight or measure which on verification is found to be incorrect shall be returned to the person concerned for adjustment informing him, in a proforma specified by the Controller, of the defects found in the weight or measure and calling upon him to remove the defects within a period not exceeding seven days. When the necessary adjustment has been carried out, such weight or measure shall be verified on payment of fifty percent of the fees specified in Schedule XII and if found correct shall be stamped.

18. *Collection of fees and deposit into the Treasury.* — (1) Before commencing the work of verification or re-verification, the Inspector shall inform the person concerned of the fees payable by him under these rules and shall receive the same and issue a receipt in the form approved by the Controller, one copy of such receipt being kept on record:

Provided that fees payable by a department of the Central or State Government under these rules may be realised in such manner as may be directed by the Controller.

(2) The Inspector shall maintain a register, in the form approved by the Controller, which shall be written up from day-to-day and shall show the amount of fees and other charges collected during the day.

(3) All payments received by the Inspector during the week shall be paid into the Government Treasury under the appropriate "Head of Account" on such dates or days as may be specified by the Controller from time to time, and a receipt thereof be obtained and an intimation to that effect be sent to the Controller or other officer authorised by him in this behalf.

19. *Disposal of seized weights, measures, etc.* —

(1) Any weight or measure or document or thing seized and detained under section 30 or 31 of the Act, which is not to be the subject of proceedings in a Court, shall, after the expiry of sixty days of its seizure, be so dealt with as the Controller may by general or special order direct, and the materials thereof shall be sold and the proceeds credited to the State Government:

Provided that the Controller may direct that un-verified weight or measure shall be returned to the person from whom such weight or measure was seized if that person gets the same verified and stamped, within ten days of the return, on payment of the prescribed fee including the additional fee payable for undertaking re-verification after the expiry of the validity of the stamp.

(2) Any weight or measure or document or thing seized and detained under sections 30 or 31 of the Act, which is to be the subject of proceedings in a Court, shall be produced by the Inspector before the Court shall, after conclusion of the proceedings, be taken possession of by the Inspector and dealt with in accordance with the orders of the Court:

Provided that in the absence of the orders of the court, weight or measure or document or thing shall be dealt with as the Controller may by special order direct and the materials thereof shall be sold and the proceeds credited to the State Government.

(3) If any goods, seized under sections 30 or 31 of the Act, are subject to speedy or natural decay, the Inspector shall have the goods weighed or measured on a verified weighing or measuring instrument available with him or near the place of offence and enter the actual weight or measure of the goods in a form specified by the Controller for this purpose, and shall obtain the signature of the trader or his agent or such other person who has committed the offence. The goods in question shall be returned to the trader or the purchaser as the case may be:

Provided that if the trader or his agent or the other person (who has committed the offence) refuses to sign the form, the Inspector shall obtain the signature of not less than two persons present at the time of such refusal by the trader or his agent or other person.

(4) Where the goods seized under sub-section (1) of section 29 of the Standards Act are contained in a package and the package is false or does not conform to the provisions of the Act or any rule made thereunder and the goods in such package are subject to speedy or natural decay, the Inspector so far as may be, may dispose of the goods in such package in accordance with the provisions of sub-rule (3).

(5) Where the goods seized under sub-section (1) are not subject to speedy or natural decay, the

Inspector may retain the package for the purpose of prosecution under this Act after giving the trader or his agent or the other person (who has committed the offence) a notice of such seizure.

20. *Qualifications of Inspectors.* — (1) No person shall be appointed as Inspector unless he —

(a) is a graduate of a recognized University in Science (with physics as one of the subjects), technology or engineering, or holds a recognized diploma in engineering; and
